The NSW Online Road Naming System was developed by Land and Property Information (LPI) in collaboration with the Local Government Address Working Group to support road naming authorities with road naming activities. The system is available to all local government bodies in NSW.

Sign up for access
To access the system users need to complete the Geographical Names Board Access form printed on the reverse. Scan and email the form to E: roadnaming@lpi.nsw.gov.au. The Geographical Names Board will provide approved applicants with a login and password to access the system.
