

IMPORTANT INFORMATION

This Support Notice relates to a Strata Renewal Plan for the collective sale or redevelopment of your strata scheme. If you complete and sign this form, you are agreeing to participate in the collective sale or redevelopment. **Do not complete this form if you do not support the Strata Renewal Plan for the collective sale or redevelopment of your strata scheme.**

You can give this Support Notice to the Returning Officer if 60 days has passed since you were given a copy of the Strata Renewal Plan.

Before you sign, make sure you seek your own independent advice on the Strata Renewal Plan to understand how it will affect you and other people. There may be significant personal, legal, financial and taxation consequences for you as the owner of a lot as well as other people who have an interest in your lot (such as tenants). You must ensure that you can meet your obligations under the Plan.

If you have a mortgage or your lot is subject to a covenant charge, then your mortgagee or covenant chargee must consent to you signing this Support Notice by completing Page 3 of this document. If there is more than one mortgage or covenant charge, additional consent pages can be added.

If you support the Plan for the collective sale or redevelopment of your strata scheme, you must complete and sign this Support Notice and provide it to the Returning Officer below.

If you change your mind after giving this Support Notice, you can complete a Withdrawal of Support Notice form and give it to the Returning Officer. It is too late to withdraw your support if you have been notified by the secretary of the owners corporation that the Required Level of Support has been obtained.

If you need help, NSW Fair Trading has established a range of support services including a free government strata renewal advice service for all owners as well as a free advocacy program to assist vulnerable owners. Further information on these services is available by visiting the NSW Fair Trading website (www.fairtrading.nsw.gov.au) or by calling NSW Fair Trading on 1800 214 023.
